

499,999 Miles Left to Go

Dana® Spicer® LMS™ Wheel-Ends, featuring ConMet's superior hub designs, have a recommended service interval of half a million miles*. Think of it as peace of mind for 500,000 miles.

LMS™ wheel-ends are manufactured with pre-adjusted wheel-end technology, which was developed by ConMet to optimize seal and bearing life. As standard equipment on new Peterbilt trucks, these wheel-ends enable your vehicles to spend less time in the shop and more time on the road. Just another way ConMet is *Pointing the Way™* to more value for our customers.
